MESSAGE

I am glad to know that Kakatiya Government College, Hanamkonda has planned to organize a National Seminar on 'Emerging trends in Social Sciences and their Relevance in the Era of Globalization'. The theme has been aptly chosen in the context for better understanding of Social Sciences and promoting Social Science research. I hope this gives an opportunity for upcoming researchers in the field of Social Sciences. A new outlook to find realistic solutions to the problems faced by the social scientists and ways and means to overcome the same. I compliment the Principal and Social Sciences Faculty for taking up the responsibility of organizing the Seminar and I wish them a great success.

Prof. K. Seetharama Rao,
Vice Chancellor,
Dr.B.R.Ambedkar Open University,
Hyderabad.

MESSAGE

Social Sciences cover a wide array of complex issues and disciplines. Social Sciences inspire, encourage and bring about basic transformations of civic society which are responsible in this era of globalization. Social sciences help one to think creatively, analyze a situation, communicate ideas, effectively and work with ideas to face social discontent. The present seminar 'Emerging trends in Social Sciences and their Relevance in the Era of Globalization' is an attempt made to understand the societal problems and finding solution to the contemporary problems. I appreciate Principal and Staff of Kakatiya Government College, Hanamkonda and wish the Seminar all success.

Prof. R.Sayanna,
Vice Chancellor,
Kakatiya University, Warangal.

MESSAGE

I am happy to know that the faculty of Social Sciences is conducting a National Seminar on 'Emerging trends in Social Sciences and their Relevance in the Era of Globalization'. I hope this seminar will provide an opportunity to enlighten the Staff, Students, Academicians and Participants about the recent trends in Social Sciences and promote research in Social Sciences. I congratulate the efforts put in by the Principal and Staff for organizing National Seminar that would throw new insights about the methodologies to be adopted in Social Sciences and practical way to find solutions to the problems faced by the society. I wish the Seminar a grand success with meaningful and fruitful deliberations.

Prof. T. Thirupathi Rao,
Former Vice Chancellor
Osmania University,
Hyderabad.

MESSAGE

Social Sciences promote logical thinking, which is essential in decision making and finding solutions to our national problems. Education is perceived as a saleable commodity rather than an instrument of change in this era of globalization. The result is Social sciences have been witnessing steady threat from Science subjects. There is a upward swing in pursuit of Science and Technology courses leaving far behind the social sciences. The concept of utilitarian approach to education is creating a gap between Sciences and Social Sciences. Social Sciences are much older than Natural Sciences. The neglect of Social Sciences will perpetuate the injustice to the underprivileged sections and to bridge the gap between Sciences and Social Sciences. We are conducting this seminar to rethink about the traditional approaches and to promote creativity, innovation and quality sustenance in Social Sciences. We need interdisciplinary approach, new methodologies, positivism, objectivity and scientific temperament. I sincerely appreciate the hard work put in by my Social Science Faculty to conduct this seminar and I feel this seminar would throw new insights in explaining the stake holders importance of social science research, which are needed to understand human behavior, create civic competencies and establishing the harmony of society which is the real need of hour.

Dr. V. Vijaya Lakshmi
Chairperson & Principal,
Kakatiya Government College,
Hanamkonda

ABOUT THE COLLEGE

Kakatiya Government College Hanamkonda was established on 5th April 1972 with a core objective of "Providing a distinct environment of excellence in education with human values & social commitment." Prominent leaders like Late Sri P.V. Narsimha Rao, Former Prime Minister of India, Dr. Chukka Ramayya, Ex. MLC and IIT Icon, Sri. B. Vinod Kumar, M.P, Karimnagar Parliamentary Constituency, Prof. Seetharam Naik, M.P. Mahabubabad Constituency are distinguished members of alumni of this prestigious Institution.

KGC is one of the most academically well known colleges in Telangana State and is located in the heart of the city of Hanamkonda. The college has paved way for the growth of the eminent personalities of this region. The college has grown into a multi-faculty institution catering to the academic needs of more than 2,500 students annually by offering the conventional, restructured and self-financed courses at UG and PG levels. The college is accredited with 'A' Grade by NAAC and is affiliated to Kakatiya University, Warangal, a historical city of Telangana State.

As part of the initiatives for quality, the IQAC of this college has the credit of conducting National level Seminar on Higher Education, Sponsored by NAAC, Bangalore. The conduct of UGC sponsored National Seminars in The Departments of Commerce, English, Telugu and Library & Information Science has added a feather to the college and the region. This college is labeled as ID College of Warangal (Urban) District entitled by the office of the Commissioner of Collegiate Education, Telangana State. It takes initiation in making the best use of all the available resources in the jurisdiction of Kakatiya University, Warangal. It is a District Resource Centre for Warangal urban.
