MEMORANDUM OF UNDERSTANDING

BETWEEN

**DEPARTMENT OF CHEMISTRY,
KAKATIYA GOVERNMENT COLLEGE, HANAMKONDA**

AND

**DEPARTMENT OF CHEMISTRY,
NATIONAL INSTITUTE OF TECHNOLOGY, WARANGAL**

FOR THE DEVELOPMENT OF ACADEMIC COOPERATION IN QUALITY EDUCATION

Memorandum of understanding (MoU) is taken on the Friday of 06.02.2020 by Department of chemistry, Kakatiya Government College, Hanamkonda and Department of Chemistry, National Institute of Technology, Warangal.

Objectives of the MoU

This MoU is entered with the following specific objectives:

- i) To provide academic support to Kakatiya Government College, Hanamkonda in the form of permitting students to Field Trips to NIT, Warangal
- ii) To assist in programmes like certificate courses and add-on courses
- iii) To allow students to take up internships in NIT for study projects
- iv) To support faculty to undertake collaborative research with the faculty of NIT, Warangal and offer free consultancy service to faculty in their research activity
- v) To provide career guidance to the students of Chemistry and create awareness on future prospects in the domain areas of Chemistry
- vi) To offer extension lectures to students of KGC by the faculty of NIT

Terms and Conditions:

The academic assistance and support is proposed to be extended by Department of Chemistry, National Institute of Technology, Warangal is purely on voluntary basis and no financial commitment is involved.

Duration of MoU:

The MoU comes into force from the date signing and valid for a period of FIVE years, starting from February, 2020.

The aim of the Memorandum of this Understanding shall be to achieve balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by both the Institutions.

Activities under MoU in 2019-20

Extension Lecture on PG in Central Institutes of Higher Learning

06-02-2020

The Department of Chemistry organized an extension Lecture on “*PG in Central Institutes of Higher Learning*” in association with NIT Warangal as a part of MoU. The main objective of this lecture was to enable the students to know the various national importance institutes, which offer PG courses. The Resource Person Dr. P.V. Sreelakshmi, Associate Professor of Chemistry, NIT Warangal explained that IISc, IISER, TIFR, NIT and Central Universities offer various PG courses, and if the students concentrate on basics, they can easily crack the entrance exams and get enrolled in these prestigious institutions.

The Principal S. Ganapathi Rao, in charge of the department Dr. B. Ramesh, faculty members and students participated in the programme.

Lecture on "PG in Central Institutes of Higher Learning" by Dr. P. V. Sree Laxmi, Associate Professor of Chemistry, NIT, Warangal, and Dated: 06.02.2020 [as a part of MoU with NIT, Warangal]

Report on H-NMR Spectroscopy

08-05-2020

A webinar on 'H-NMR Spectroscopy' was organised by Department of Chemistry, Kakatiya Govt. College, Hanamkonda under the chairmanship of Sri S. Ganapathirao, Principal (FAC) and convened by Dr. B. Ramesh, Incharge of the department on 08/05/2020.

Esteemed speaker Dr. B. Srinivas, Associate Professor, National Institute of Technology, Warangal has given webinar on ONLINE mode on the topic - 'H-NMR Spectroscopy'. He explained basics and types of Spectra. He stressed the importance of H-NMR Spectroscopy as a analytical tool for the structural elucidation of the molecule.

Recording... You are viewing srinivas basavoju's screen View Options

Which nuclei are NMR active?

Nuclear Spin Quantum Number (I)

Only those nuclei which have a finite value of spin quantum number ($I > 0$) will precess along the axis of rotation.

It mean the protons (nuclei) with ' I ' value > 0 they are NMR active.

They exhibit NMR spectrum.

It is known that the spin quantum number ' I ' is associated with mass number and atomic number of the nuclei.

3. WEBINAR ON ONLINE LEARNING RESOURCES ON 10.10.2020

I. Ajith Kumar Reddy Rtd Professor NIT Warangal as a Resource person in the webinar on 10-10-2020

Webinar Report on Online Learning Resources on 10.10.2020

10.10.2020

A Webinar is arranged during COVID-19 pandemic by Department of Chemistry, Kakatiya Govt. college on the topic- ONLINE LEARNING RESOURCES.

This webinar was chaired by Sr. S. Ganapathrao, Principal and convened by Dr. B. Ramesh, Head, Dept. of Chemistry.

Speaker of this programme is Prof. I. Ajith Kumar Reddy, Retired Professor, National Institute of Technology, Warangal.

This lecture is very useful in present scenario. Any resource available on the internet is an online learning resources. It include audio or video lessons, websites, links. He explained various online platforms available for education like Zoom, CISCO, WEBEX, GOOGLE MEET etc.

Online Extension Lecture on Higher Educational Opportunities in IITs & NITs (2020-21)

08-01-2021

As a part of MoU an online extension lecture was organized in collaboration with NIT Warangal on 08-01-2021. The Director of NIT Warangal, Prof. N.V. Ramana Rao as a Resource person explained the *Higher Educational Opportunities in IITs & NITs*. In his online lecture, he mentioned the various courses offered by the National institutions. He interacted with the faculty members as well as with the students and cleared their queries.

The Principal S. Ganapathi Rao, In charge of the Chemistry department Dr. B. Ramesh, Faculty members and students participated in this activity.

SEMINAR ON

COVID-19 INTO Chemical Science Perspective

On the occasion of 'NATIONAL SCIENCE DAY' a seminar was arranged by Department of Chemistry on 27.02.2021 under the HEAD, Department of Chemistry, Dr. B. Ramesh, and Principal Dr. P. Indira Devi.

The chief guest of the Programme Dr. M. Ragasudha, Assistant Professor of Chemistry, National Institute of Technology, Warangal, given a seminar on "COVID-19 INTO CHEMICAL SCIENCE PERSPECTIVES".

The Seminar focussed on the facts and literature about COVID-19. It emphasised the direct role of chemistry to the ongoing global pandemic by covering structural identification of the virus, chemical preventive measures and development of drugs.

Dr. M. Ragasudha gave review of the four most promising repurposed drugs which are presently being investigated in mass clinical trials on COVID-19 infected persons and synthetic routes of these drugs with their recent advancement. Chemical preventive measures such as Soap, hand sanitizer and disinfectant are the only available options in the arsenal to fight against COVID-19 till an effective medicine or vaccine will be made available.

Extension Lecture on Symmetry of Molecules

28.08.2021

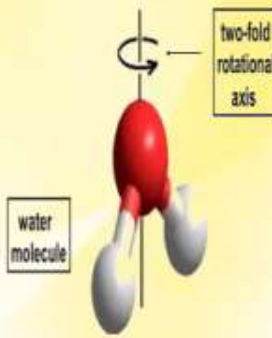

28.08.2021
Department of chemistry, Kakatiya Govt college, Warangal has concluded a Webinar on the topic - "SYMMETRY OF MOLECULES". This Webinar was chaired by the Principal, Sri S. Ganapathi Rao and the programme was convened by Dr. B. Ramesh, Head, Dept. of chemistry.
Speaker of the webinar on 28/8/2021 is Prof. K. Laxma Reddy, Professor of Chemistry, NIT, Warangal. He delivered a nice lecture on symmetry of molecules. He explained the types of symmetry with suitable modules. He encouraged the students to actively participate in the webinar. The lecture gave a good understanding of the SYMMETRY concept.

Lecture on "Chandrayan-2, Success of Vikram Lander" in Webinar

29-10-2021

The department of Chemistry organized a Webinar on the topic of "Chandrayan – 2 Success of Vikram Lander" on 29-10-2021 in collaboration with NIT Warangal. The department has taken initiatives to organize a Webinar series to inculcate research inquisitiveness among the students. Dr. S. Maqbool Ahmed Principal Scientific Officer, University of Hyderabad explained the need and importance of research innovations in the field of Astronomy.

The Principal Dr. K. Mallesham, in charge of the chemistry department Dr. B. Ramesh, faculty members and students participated in the webinar.
