**MINORITY CELL  
GUIDELINES**

The Minority Cell of the College has been established to give equal opportunities to the students of Minority communities. The College has a fair representation of students from the Minority- Christian and Muslim communities in accordance with the guidelines laid by the Government of Telangana. The minority cell is functioning to take care of their needs and requirements.

### **Objectives of the Cell**

The minority cell functions with following specific objectives.

- To ensure equal opportunities for the Education of Minorities.
- To provide timely information and financial support for the students of Minority Communities from the Central and State Governments and other funding agencies.
- To facilitate Career Orientation Programmes for the students of Minority Community.

### **Scope of the Cell**

- The Minority Cell is instrumental in providing assistance to the students of minority communities.
- The Cell organizes special programmes such as coaching for entry into Government Service, Coaching for NET-SET examination.
- The Cell provides Counseling, Career Guidance, Training Programmes, to help the minority students to improve Employability Skills and Life Skills.
