About the college

Babu Jagjivan Ram Government Degree College, Narayanaguda, a sterling landmark of higher education in the district of Hyderabad and it was established in the year 1974 with prime motive of ensuring quality education within the reach of poor and down trodden rural and urban students hailing from all the corners of the state. The college received recognition by the U.G.C. under 2 (f) and 12 (b) sections in 1978. The college has been inculcating the most pragmatic and idealistic education to nearly two thousand and five hundred in the wide spectrum of Arts, Commerce and Science. The college grew by leaps and bounds in the initial stage and successfully completed the journey of forty six years with many under graduate and certificate programmes. The collective vigor of these programmes has been applied for NIRF ranking in November 2018 and ISO certification in 2020 to re calibrate its strengths and to go ahead with more holistic approaches.

of emerging issues. This department has separate lab for Social Science students.

About the seminar: The Annual Financial Statement (AFS), the document as provided under Article 112, shows the estimated receipts and expenditure of the Government of India for 2020-21 in relation to estimates for 2019-20 as also actual expenditure for the year 2018-19. The receipts and disbursements are shown under three parts in which Government Accounts are kept viz., (i) The Consolidated Fund of India, (ii) The Contingency Fund of India and (iii) The Public Account of India. The Annual Financial Statement distinguishes the expenditure on revenue account from the expenditure on other accounts, as is mandated in the Constitution of India. The Revenue and the Capital sections together, make the Union Budget. The estimates of receipts and expenditure included in the Annual Financial Statement are for expenditure net of refunds and recoveries. The Union Budget can be demarcated into the part pertaining to revenue which is for ease of reference termed as Revenue Budget and the part pertaining to Capital which is for ease of reference termed as Capital Budget. The Revenue Budget consists of the revenue receipts of the Government (Tax revenues and other Non Tax revenues) and the expenditure met from these revenues. Capital receipts and capital payments together constitute the Capital Budget.
