NATIONAL SEMINAR

ON
"INNOVATIONS AND DEVELOPMENTS
IN MACRO, MICRO AND NANO
MATERIAL SCIENCES"

SPONSORED by **RUSA**

14th November 2018

Registration Form

Name: _____

Designation: _____

Department: _____

Institution: _____

Mobile: _____

Email Id: _____

Amount Rs: _____

DD No. _____ Dt: _____

Bank _____

Signature _____

From:

Send the filled duty in Registration form to

Dr.Ch.Kanchana Latha

Convener, IDMMNS-2018

Department of Physics

IPGDC, Nampally, Hyderabad, 500001

email: conveneridmmns2018@gmail.com

● Demand Draft: in favour of The Principal, IPGDC,
 payable at Hyderabad

● **Online Transfer:**

Head Dept. of Physics, IPGDC

SBI A/C : 52190594587

IFSC: SBIN0020318

Branch: Anand Nagar, Khairthabad

Send the DD by post to

The Convener,

IDMMNS-18, IPGDC, Nampally,

Hyderabad, 500001, Telangana, India.

● No TA/DA will be paid &

No Accommodation will be provided to the participants.

● **For more Details**

Dr. Ch. Kanchana Latha

Mob. No.+918686608066

Ms. J. Sridevi +917331128164

Mr. P. Nageshwar +918341513896

Mr. G. Venkata Ramudu, +918885868744

Venue of the Seminar:

Conference Hall, IPGDC, Nampally, Hyderabad

Chairman of the Seminar

Dr. D.Varalakshmi

Principal, IPGDC,Nampally, Hyd.

Advisory Committee:

Mrs. Kiran Kumari, Vice-Principal, IPGDC

Dr.M.Ramchander, Assistant Professor, Dept. of Bio

Chemistry, M.G.University, Nalgonda

Organizing Committee:

Convener

Dr. Ch. Kanchanalatha,

About the College: Receipt No. 168948/2018/TAPPAL-CCE

Indira Priyadarshini Govt. Degree College for Women, Nampally, Hyderabad a sterling landmark of Higher Education in the district of Hyderabad is established in the year 1981 with the prime motive of ensuring quality education within the reach of poor and down trodden urban students hailing from all corners of the district.

The college has been inculcating the most pragmatic and idealistic education to more than 1600 students in the wide spectrum of Science, Arts and Commerce, taught in English, Telugu and Urdu media. The college grew by leaps and bounds in the initial stage and successfully completed the journey of thirty seven years with Eight Under Graduate, four Post Graduate Courses and ten certificate programmes. The Collective vigour of these programmes has been reckoned with the re- accreditation of B status by the NAAC.

The institution stands on an eleven –acre campus, shared by Junior College, Primary and High school which is donated by erstwhile Nizam Dynasty, towards the education of young, under privileged women. An exclusive 5 acres of land is allotted for the degree college and the building was constructed with Rs 95 lakhs from the MPLAD funds. The institution had a humble beginning in old building with few teachers and about 300 girls. The institution emerged with an excellent infrastructure, Buildings, Laboratories and High end committed and dedicated faculty striving for their student success. The college offers wide array of facilities and student support services ranging from labs to research facilities, grounds to gymnasium, class rooms including e-classrooms with smart boards to knowledge centres. Every year students are selected for IT and Non IT sectors in Campus placement drives organised by TSKC. The college also houses IGNOU study centre for learn while earn students.

Faculty of Sciences:

The college offers various programmes under the faculty of Sciences including the subjects Chemistry, Physics, Mathematics, Microbiology, Biochemistry, Computer Sciences and Statistics in various combinations. The faculty

of sciences are actively involved in various programs like certificate courses, poster presentations, power point presentations, exhibitions, workshops seminars, MOOCs etc . Student study projects, Field trips and extension lectures are also organized for orientation of the students towards research.

OBJECTIVES:

The objective behind organizing the national seminar is to enable the science students to get introduced to the latest advancements in the field for developing innovative ideas for their enhancement and enrichment of knowledge in material sciences. Further, the seminar intends to enrich the subject knowledge and for pursuing research activities.

Resource Persons:

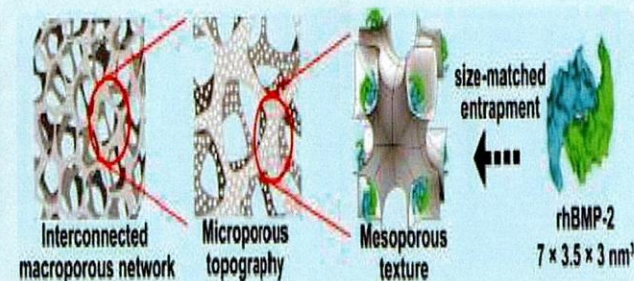

- **Dr.M. Ghanshyam Krishna**,
Dean, Engineering Sciences
Professor of Physics, HCU
- **Dr. Y. Aparna**, Professor of Physics, JNTU
Hyderabad, Kukatpally.
- **Dr. Kalyan Kamal** Scientist. DMRL, Hyd.
- **Dr. Shaik Kareem Ahmed**
Department of Physics, MJCET
- **Dr. D. Ravinder**
Chairman Board of Studies, Dept. of Physics
- **Dr. G. Prasad**
HOD, Dept. of Physics, OU
- **Dr. A. Venkatalakshmi**, Assistant Professor of
Mathematics, OU, Hyderabad
- **Dr. Giridhar**, Scientist, IICT, Hyderabad

Call for Papers:

The Faculty of Sciences, invites faculty members, Research Scholars, Scientists, Professionals and students to submit their research findings for oral/poster presentations for the Seminar.

The seminar includes the following topics but not limited.

- Applications of Mathematics in Nano field
- Bio Nanomaterials and their applications
- Polymers
- Nanomaterials for Physics and Chemistry applications
- Semi and Super conductor materials

- **Macro and micro material applications**

Submit your full length papers in MS Word format (font: Times New Roman, 12 for text) as an email attachment by 5th November 2018 to conveneridmmns2018@gmail.com. Conference proceedings will be published with ISBN number.

Important dates:

Submission of Abstracts: 28/10/2018

Acceptance of abstracts: 30/10/2018

Submission of Full Length papers: 05/11/2018

Date of Seminar: 14/11/2018

Registration Fee:

Faculty Members: Rs 500

Research Scholars &
Students: Rs 300

Institutions/Industries: Rs 1200
Registration fee includes seminar kit,
literature, lunch, snacks and tea
