## **POLICY FOR PERSONS WITH DISABILITIES**

### **1. PERSONS WITH DISABILITIES**

Government Degree College for Women, Karimnagar discourages all forms of discrimination, including discrimination based on physical disability. Discrimination against people with physical and mental disabilities is unlawful under the “2016 Right of Persons with Disabilities Act”. All of the institute's programmes, administrations, and activities are designed to be accessible to all students.

### **2. OBJECTIVES OF THE POLICY**

- To establish a proper regulatory mechanism for the effective delivery of services to the institute's disabled students and employees.
- To ensure that all legislations pertaining to people with disabilities are followed.
- To ensure full involvement and equal development opportunities for persons with disabilities.

### **3. IMPLEMENTATION**

It is ensured that students with disabilities can be admitted via a reserved quota system as per the reservation policy of the government.

Facilities are provided, for persons with disabilities, such as fee concessions, special provisions in examination procedures, and so on, as per government rules from time to time.

Necessary measures were taken to create a disabled friendly campus including the construction of ramps for accessibility
