Haemoglobin Testing for girl students

The WEC & ICC of our college in association with Lion's club of Jogipet organised the this programme at 11:30 AM on 29-08-17. Under the chairmanship of the Principal Dr. K. Venkateshwar Rao. The Lab Technician of local D.V. Reddy Pvt. hospital, Jogipet accompanied with Lion's club team, tested the haemoglobin in the blood samples of ~~g~~ nearly 80 girl students. Some of the students are identified with low haemoglobin levels. They supplied the Iron, Folic acid & B-complex tablets to the students.
