CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The vision of the institution is to provide and promote higher education to the poor, deprived, rural and tribal people of a very backward rain fed and drought prone region. The mission of the institution 'Saa Vidya Ya Vimuktaye' that means Education for Emancipation. So the goals and objectives aim at providing opportunities for accessibility, equity, academic, community, national development, employability value and ICT orientation in higher education. Munagala Kondal Rao Government Degree College, Devarakonda had her humble beginning in 1981-82 offering B.A. (E.H.P.) and B.Com. (General) programmes with a total strength of 60 students. It has taken nearly two decades to introduce B.Sc. (MPC) & B.Sc. (MPCs). Self financing restructured courses of M.A. (English), B.Com. (Computer Applications) and conventional B.Sc. (BZC) were introduced in 2008-09, 2012-13 & 2014-15 respectively. The strength of the institution at present is 1016. The institution is following the curriculum prescribed by Mahatma Gandhi University, Nalgonda as her affiliated college from the academic year 2011-12. Earlier, the college was affiliated to Osmania University, Hyderabad. The university frames the syllabi and the faculty of the college correlates them with their additional inputs to the local conditions in teaching-learning process to achieve the stated goals and objectives through academic plans of the institution, departments and individuals. The academic plans are circulated to the students in the beginning of the academic year. The courses concentrate on experiential learning. Field work and study projects add to the experiential learning of the students. Academic flexibility is provided in the form of elective options in most of the core papers. Value based education is integrated into the subjects.. The college obtains feedbacks from the stakeholders and uses them to some extent to bring out significant changes in the curriculum. Some of the members of the faculty are members in the BoS and syllabus revision committees of the university. The faculty, based on the suggestions made by the stake holders in their feedbacks with regards to curriculum, places the issues during the course of their meetings. The proposals of introduction of semester, CBCS and reducing the number of practical papers in commerce have been accepted by the syllabus revision committee of commerce and are due to be introduced from the academic year 2015-16. The IQAC of the college has initiated measures for quality sustenance and enhancement in curricular aspects that had fruitful results.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

Feedback is obtained from the students in three categories namely., 1) Feedback on Teachers 2) Feedback on Principal and Administration 3) Feedback on Support Services and College. All the feedbacks are administered through a questionnaire. The questions are objective in nature. The IQAC takes this feedback under the guidance of the Principal. The students are not required to disclose their identity anywhere in the questionnaire. This way the students are free to express their correct perceptions without any inhibitions. The feedback is obtained from all the stakeholders of the institution, viz. Students, Parents and alumni as well as the teachers. The questions range from curriculum design, delivery, methodology, evaluation, use of ICT and infrastructure. The feedback thus obtained is studied and analyzed in order to identify if there are any lacunas. Suggestions for improvement are taken into consideration. Specific complaints shall be addressed. The teachers are personally counseled with regards to the feedback they receive. The IQAC of the institution ensures monitoring all the curricular, co-curricular aspects.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The institution has devised a mechanism for providing academic, personal and psychological support and guidance services for the benefit of the students. Professional counseling, mentoring and academic advice is provided through the mentor-mentee system. As a part of the system, the students are allotted to a teacher who will personally guide the students. The teacher also maintains a unique 'Ward Counseling Report' that records all the details of the student. The report also serves the purposes of recording the university examination results of all the three years, co-curricular, extracurricular, attendance and achievements of each student. The Mentor Mentee System that is being in practice in the institution has the following characteristics: 1. Each teacher acts as a Mentor to a certain number of students who are known as mentees and the teacher is responsible to look into the socio, economic and personal and psychological aspects of the learners under his or her guidance. 2. The Mentor teacher maintains a register for recording the details of the students and the various academic and personal life. 3. The mentor is also supposed to record the progress of the students under his or her charge and is held responsible for the progress of the mentees. 4. The duty of the mentor is to closely observe each and every activity of the students and intervene whenever there is need for such intervention. 5. Another responsibility of the mentor is to be in contact with the parents of the students and update them about progress of their ward. 6. There is a provision in this system to bring to the notice of the Principal personally or telephonic about the situation of any extreme in nature which tends to affect the students personally or academically. 7. The Mentor – Mentee System also provides a platform to know the practical problem of the students and works as a grievance redressal mechanism.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institution adopts the summative evaluation method prescribed by the affiliating university. The institution evolves her own evaluation methods like conduct of Unit Tests / Half yearly / Pre-final Examinations besides the conduct of quiz / debates / group discussions / assignments / student seminars / study projects etc., The institution gives wide publicity to the stake holders especially the students and faculty on the processes of evaluation through orientation programmes. ? Posted on the college website. ? Discussed during the departmental meetings. ? The faculty in general and ward counselors in particular create awareness among the students. ? Examination time tables and other instructions are displayed on the notice board. The formative approaches of evaluation are: ? Assignments ? Student seminars ? Debates and discussion ? Just a minute sessions ? Student study projects ? Home examinations The summative assessment is made to evaluate student learning at the end of the semester. Two internal assessments are conducted in each semester in every paper/subject. The average of two internal assessments are derived and added to the aggregate of the end semester examinations. The university conducts end semester examinations and declares results that help in making a comprehensive summative evaluation.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Commissionerate of Collegiate Education (CCE) issues Academic and Activities Calendar specifying timeline for both academic and other cocurricular and extracurricular activities scheduled for the year. In addition, the affiliating university, Osmania University also issues an almanac with the details of various types of assessment, such as Internal Assessment Tests and Practical Examinations. The university almanac also specifies dates of semesterend examinations. The institution prepares an Academic Calendar in

consonance with the Almanac of the university and the Academic and Activities Calendar of the CCE strictly adhering to the examination schedule specified. The departments and teachers plan their teaching and other related academic activities according to the college Academic Calendar so as to organise the Internal and practical examinations as specified by the affiliating university. Similarly, the students also prepare for the examinations by keeping the calendar in mind. Considering the importance of the Academic Calendar in the academic progress of the students, the Principal places the Calendar on the College website.

The college initially functioned in the premises of Government Junior College (Boys), Devarakonda. The college then shifted to her own premises in the year 1995-96. The college remains ever grateful to the Devarakonda Vidya Committee headed by Late Sri Munagala Kondal Rao, Sri Palla Venkat Reddy and others which acquired 15 acres of land. Late Sri Pagidimarri Chandramouli donated another 5 acres of land in which 10 classrooms were constructed by Devarakonda Vidya Committee in the year 1995-96. Later in the year 2000 with the contribution of Sri Alampally Narsimha under Janma Bhumi Scheme six more classrooms were constructed in the name of his parents. In the year 2001 another six classrooms were constructed in the upstairs with the Local Area Development Funds of the MP Sri Gutha Sukhendar Reddy. A spacious building for the library with separate reading room, reference section and an e-classroom attached was constructed with the funds of the then MP Sri Suravaram Sudhakar Reddy and state budget. The college takes pride in having such a big library, perhaps the biggest in any government degree college in the state. At the crest of other academic facilities the college also has the honour of having a spacious assembly hall which can comfortably accommodate around 600 audiences that was constructed with the funds of the then and also present MLA Sri Ramavath Ravindra Kumar and state budget. Further, in the year 2002, four new rooms were constructed with the MPLAD funds of Sri Dasari Nagabhushan Rao and the state budget. An administrative block and two computer laboratories were constructed with the state budget in the year 2013. An exclusive chemistry block has been constructed in the year 2015 with the UGC and State Government funds. Fr. Raphael of Sanjeevani Charitable Trust donated Rs. 7.00 lakhs for the construction of restrooms for women students and staff in the year 2015. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The college believes in inclusiveness in the administration for the development of the institution. Students from various social and economic backgrounds are made part of each and every aspect of the institution. The student members contribute to the smooth functioning of the college by attending all the meetings and voicing the views of the student fraternity. Each of the committees comprises about 6 teachers as members of which one will act as the Convener and a representative from the students. These committees meet periodically under the Chairmanship of the Principal. Sometimes they meet whenever there is a specific activity related to the purview of the committee. The following are some of the committees with student representation: Internal Quality Assurance Cell (IQAC) The members of the committee participate more actively than the rest of the students starting from making arrangements till the valedictory NAAC Committee This committee is constituted especially with reference to the NAAC accreditation process. The members' participation is highly useful in administering questionnaires such as Student Satisfaction Survey. Library Fee Committee It oversees the collection of fee paid towards the library expenditure Library and Reading Room Committee It offers suggestions in the selection of periodicals to be subscribed and books to be purchased on the basis of the views expressed in their classes. It also ensures proper discipline is maintained in the Reading Room. ParentTeacher Committee The members of the committee coordinate between the institution and the parents

and assist the Faculty in conducting ParentTeacher meetings. Games Committee It helps the department of Physical Education in organizing of various sports and games events on the occasion of national festivals such as Independence Day and Republic Day Similarly the Student Members of various committees work proactively with regard to the following committees: • Audiovisual Committee • Literary and Cultural Committee • Stationery and Teaching Aid Committee • Timetable and Institutional Calendar Committee • Social Responsibility Committee • Academic/ Examination Committee • Magazine Committee • AntiRagging Committee • Women Empowerment Committee • TSat Committee • Central Purchasing Committee Apart from these committees, there are committees for each department to monitor and review the activity related to that particular department. Further, student representatives are members of various Clubs such as Eco Club, Red Ribbon Club, Consumer Club and Cells such as Grievance Redressal Cell, Career Guidance and Employment Cell, Minority Cell, OBC Cell and SC, ST Cell. All these Committees work with a single mission - the prosperity and glory of the institution.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

The alumni association is not registered. The Alumni Association of the college is one of the strengths of the institution. It comprises people from almost all walks of life, teachers, lawyers, business persons and people pursuing various other occupations. The Executive Body of the Association is proactive and extends its full support to it alma mater in the form of financial assistance by raising funds and also by the word of mouth at the time of admissions. With the amount contributed by the Association a parking shed for bicycles and motorcycles was constructed. In the first week of every new Academic Year a meeting of Alumni Association is called for wherein various issues related to the development of the college. The opinions and suggestions made by the Association are noted well and due respect is paid to them while taking up any activity or measure in the college. With the help of alumni, the institution gets information regarding the performance and contribution of the students to society in various fields so that the college is able to estimate the yield of enriched curriculum. The alumni also help the institution by influencing industries and other agencies in getting placement tests for the students of the institution wherever possible. The institution remains ever grateful to the Alumni for its unflinching and unconditional support for its development in all aspects.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

To reach the goals and objectives the college adopts collective leadership, decentralization of duties and team work. The college has two governing bodies namely staff council and College Planning and Development Council (CPDC) to plan, organize, guide and assist the administration. They meet periodically, discuss the issues threadbare and take appropriate decisions. The administration is decentralized by assigning responsibilities and accountabilities to each organ to work efficiently and effectively to achieve the common goal. The institution has efficient internal co-ordination and monitoring mechanism and a perspective planning involving all constituencies for the all round development with about 30 committees and cells of different areas / categories / wings. The college promotes a culture of participative management and involves students, alumni and parents in major decision making policies. Almost all the resolutions made by the management council during the last year have been implemented. The members of the staff have self-appraisal methods to assess their performances. The members of the staff are also bestowed with welfare schemes. Resources are mobilized through fee collected, funding agencies like UGC, government, donations and contributions. The college has internal and external audits regularly and there are no major audit objections. The institution has an integrated frame work for quality assurance of the academic and administrative activities. The IQAC reviews the teaching learning process continuously and adopts measures for quality sustenance and improvement.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	The college ensures wide publicity and transparency in the admission process through: • Banners/Posters • Pamphlets • Advertisements • Alumni Association • Institutional Website Selection lists are prepared by respective committees constituted for the purpose. Lists are displayed on the notice board specifying relevant dates. The selection is made on the basis of merit scrupulously following the rules of reservation. From 201617, the Government of Telangana adopted online process of admissions into the UG Colleges in the state. Since the

college is a public funded institution, admissions are invariably made through Degree Online Services, Telangana (DOST) from 2016.

Industry Interaction / Collaboration

The institution works towards the goal of industry academia collaboration. Towards that end, the college encourages all the departments to collaborate with the industrial firms or firms located in the region. Consequently, the various departments of the college have executed Memoranda of Understanding (MoUs) or Collaborative Arrangements with various institutions/organizations. The year wise MoUs are uploaded in the QnM templates. The collaborative arrangements are of mutual interest, as they help the students hand son experience in the industries. Reciprocally, the staff members share their expertise in their knowledge domain with the industries.

Human Resource Management

The college strongly believes that the development of the institution is dependent on Human resource and their effective management. In the light of the Objectives, the teachers are provided with opportunities to update their knowledge and skills through Faculty Development Programme (FDP), Orientation Programmes and the Refresher Courses organized by the UGC Human Resource Development Centre (HRDC)/ the Academic Staff Colleges (UGC ASC) of various universities within the state and in other states. They are also encouraged to participate in seminars, conferences, workshops, etc. of state and national level, so as to update their academic and research knowledge and skills.

Library, ICT and Physical Infrastructure / Instrumentation

The college is well equipped library with over 10000 books and journals on wide variety of subjects. It is well furnished and digitalization is in process. The library is situated in a spacious hall with adequate ventilation. It is an ideal place for reading and writing. The college also has the Information and Communication Technology (ICT)enabled teaching and learning facilities such as computer labs, internet, etc. The seminar hall which can accommodate about 400 people is equipped with an LCD Projector and audio system. Other facilities include

	<p>a well equipped gymnasium, rooms for sports and games, well equipped laboratories.</p>
<p>Research and Development</p>	<p>The institution has a UGC Committee and a Research Committee which usually monitors and guide the faculty on research related issues. The committees encourage the faculty to take up research programmes/ research projects and register for Ph.D. As the result, some members of teaching staff have registered in the Ph.D. Programme and some of them have also submitted proposals for Research Projects. Further, the laboratories of the college are equipped with adequate research facilities which are conducive to research. The faculty members who intend to submit their research papers at National Level Seminars are encouraged with On Duty facility.</p>
<p>Teaching and Learning</p>	<p>At the institution level, teaching and learning procedures are organized as per the schedules of the Almanac circulated by affiliating university. Every teacher prepares Annual Academic/ Curricular Plans and the Departmental Action Plans in the beginning of each academic year. Assignments, monthly tests, prefinal examinations are conducted as per the almanac and marks are posted in the Departmental Marks Register. Teaching Notes, Dairies are updated every day and are signed by the incharge of the department concerned once a fortnight which in turn are duly countersigned by the Principal at the end of the month.</p>
<p>Curriculum Development</p>	<p>The institution, being an affiliated college, is not empowered with the curriculum development. However, the college plays a role in the curriculum development. The affiliating university, i.e., Osmania University conducts Annual Departmental Conferences to discuss the curriculum and its implementation and frames the curriculum. A few of the members of the teaching staff such as Dr. Ramesh, Assistant Professor of Economics, Dr. Ramesh Babu, Assistant Professor of Telugu are Members of the Board of Studies of the University who represent the current trends in the respective subjects and contribute in the designing of the curriculum from time to time.</p>

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
<p style="text-align: center;">Administration</p>	<p>The activities carried out in the institution are monitored by the Commissionerate through mails. Particulars of student admissions and staff are uploaded on the website of the Commissionerate every year. Further, circulars related to various review meetings are sent through mails to which the institution responds in turn. The College Administration and Information Management System (CA IMS) came into effect from 201819. The information about the students and faculty is made available on CAIMS which has five modules to provide services in different areas of services offered in the college.</p>
<p style="text-align: center;">Finance and Accounts</p>	<p>Most of the financial transactions, such as payment of salaries to staff through eKuber, payment of bills pertaining to purchase of various contingencies, collection of admission fees, payment of scholarships and reimbursement are made online. The College Administration and Information Management System (CA IMS) came into effect from 201819. <p style="text-align: center;">Student Admission and Support</p>	<p>Up to 2016 the admissions were made offline, on the basis of merit. Ever since the government of Telangana has adopted online system for admissions through 'Degree Online Services, Telangana'(Dost), the first of its kind in the country, the admissions in the institution are made online. DOST provides access to the students to pursue education in the institution of their choice across the state. Application and sanction of Student Scholarships is carried out through Electronic Payment and Application System of Scholarships (ePASS) Internet facility is provided to students on campus. The college library has an information centre with five computers with internet connectivity. The students are allowed to use online</p>

	learning resources such as inflibnet and online journals. Students make use of computer systems available in the college to apply for admission into various universities. Bus passes issued by Road Transport Corporation are processed in the college and are forwarded for approval.
Examination	Examination fees collected and submitted to the university through online Examination Application Form. Question papers for Semester end / Yearend examinations are downloaded by the examination branch on receiving a password from the university 30 minutes before the commencement of the examination. Marks of internal examinations are posted in the website of the university by the dates specified. From the academic year 201819 Digital Onscreen Evaluation system has come into effect. The students can get a photocopy of their valued answer script, if they want, on paying fee stipulated.
Planning and Development	The institution corresponds with the Commissioner of Collegiate Education and with the affiliating university through their respective emails and websites. The details of the institution are updated from time to time through these platforms. In turn, these bodies also issue orders and circulars online. The details of the courses offered and facilities available in the institution are posted on the college website

In this programme, gold medals are awarded to the winners and testimonials such as Study Conduct certificate, Transfer Certificate and Memorandum of Marks are given away to all the passing out students. This ceremony motivates and inspires the newly admitted students who also are made part of the programme. 2. Gold Medals awarded to meritorious students every year for the past 15 years. A Gold Medal Committee under the chairmanship of the Principal awards 20 Gold Medals to the toppers in the subjects, programmes and college. It has been being done for the past 15 years continuously since 1999. The medals have been sponsored by several philanthropists and also by some of the former members of staff and alumni 3. From 2011-12, students are allowed to retain the books borrowed from the library till the completion of annual examinations. Realizing the fact that students need books more at the

time of annual examinations than during the time of instruction, they are allowed to retain with them the books borrowed from the library till the completion of the examinations since 2011-12. 4. Celebration of Munagala Kondal Rao Birth Anniversary on 10th February from 2012. As a token of gratitude to Late Sri Munagala Kondal Rao, without whose contribution the college would not have been a reality, a bust size statue of him has been erected in the open area in front of the main building and his birth anniversary is celebrated on 10th February every year. From 2015 onwards sports day is celebrated to commemorate the birth anniversary of Devarakonda Gandhi. Thus, a spirit of gratitude to elders, especially those who strive for the welfare of society, is inculcated among the students. 5. Orientation Programme for newly admitted students. For the past two years, i.e. since 2013-14, Orientation Programmes are being arranged for the students of Arts, Science and Commerce courses separately in the beginning of the academic year. In these programmes, through a power point presentation, the new students are explained briefly about the college, its rules and regulations and the subjects they are going to study in their respective courses. They are also motivated that each one of them has the potential and possibility of winning 8 / 9 gold medals in the course. 6. Visit to Villages With a view of increasing the turnout of students to college, staff members, along with the Principal form into teams and visit the villages from which students come from, especially those in which the college has a large clientele. They interact with the parents of the students and brief them about their son/daughter's performance and attendance. For instance, in 2012-13, such a team headed by the Principal, visited a village named Thatikole, from which as many as 129 of total 924 students come. This effort has resulted in a considerable increase in the turnout of students. 7. Blood donation for the last 5 consecutive years. Blood donation camps are organised every year. The students and staff of the college voluntarily donated about 100 units of blood in the camp held in 2012. About 150 units of blood was donated in the camp held in association with the Red Cross in 2013. For this humanitarian act Principal Sri B.Maruthi Rao was felicitated by the then Collector District Magistrate Sri Chiranjeevulu in an official programme held in Nalgonda. Again in 2014-15, about 150 units of blood was donated. 8. Introduction of a new sporting event every year. Since 2013, a new sporting event is introduced each year. For instance, Boxing was introduced in 2013-14. In the same year 4 students of the college participated in the All India Inter University Level Boxing Competitions held at Benares Hindu University, UP from 4th January, 2014 to 8th January, 2014. Similarly, Body Building was introduced in 2014-15 with the supervision of a professional body builder Mr. Shekhar.
