

## **ABOUT THE COLLEGE**

Alair town is located in the Yadadri district, which is known as temple town, the Second Tirupathi, the abode of Lord Lakshmi Narasimha Swamy. The town has a good connectivity to the state capital city by road and by railways. At about 3km distance there is a Jain Temple at Kolanpak, known for its sculpture and aesthetic beauty which has got a historical significance, visitors from all over the world visit the temple. Alair soil has given birth to many freedom fighters like Arutla Ramachandrareddy, Arutla Kamaladevi, Suddala Hanumanth. Alair is a town having great literary personalities. Many poets like Tirunagari Srinivas, Poreddy Rangaiah hail from Alair. Silk-weaving is main occupation here. State's prestigious *Padmashree* awardee Chintakindi Mallesham, the inventor of weaving machine belongs to Alair.

Government Degree College, Alair, Nalgonda District was started in 2008, vide G.O.Ms.No.209 Dt 08/09/2008 with B.A, B.Com and B.Sc(MPC & BZC) courses with a vision to educate socio-economically backward students of the Alair area. The college is affiliated to Mahatma Gandhi University, Nalgonda. The college is progressing at an accelerated pace to fulfil its goals & objectives. Though it is a Co-education college the admissions ratio of the girls students is more than the boys as it is the only Government college in Alair area in and around 30 km radius.

And the college has a well-defined vision and mission which is reflected in its various curricular and Co-Curricular Activities. Its aim is to educate, enrich, empower rural students into fully Qualified graduates, to foster a Global Perspective and to sensitize them to face Global Competitiveness through value based Education. The college building proudly stands in the serene environment 2 km away from the town, free from the noise and dust pollution. It is surrounded by ITI college (Industrial training Institute), Scheduled castes and Scheduled tribes boys' hostel and Gurukul Residential Junior College. The academic environment prevails in the air. The college building is constructed in a vast area of 10 acres of government land. The college has spacious and well ventilated classrooms, with garden and a big playground. The college has got well qualified faculty with rich academic record and abundant teaching experience. Of them, 5 are Doctorates and 3 are pursuing their PhDs. All the faculty members are young and dynamic with a zeal to enlighten the students with their valuable inputs. The students are personally known by their names to all the faculty members irrespective of their diversified programmes. Students are given liberty to discuss their personal problems and seek advice from the staff. Trees are planted by the students in the campus and each tree is named after the student. The student should look after the plant till his last day in the college. Each department has taken up best practices unique and innovative in nature.

The College is implementing various innovative programs to supplement the institutional curriculum. Teaching-Learning Process with student Centric Activity by involving the student in various activities.

- Student Seminars
- Study Projects
- Field Trips and assignments
- Remedial Classes
