ANNEXURE-III

BEST PRACTICES

Best Practise-I

1. Title of the Practise

Enhancing research aptitude of students with student study projects

2. Objective

- To increase the research aptitude and team work of the students.

3. The Context

- Among the students of the college, few students of the college have the research ability and interest in the application part of the subject.
- Students are motivated to take the project work and research to quench their intellectual thirst.
- Inculcating the interest in research and experimental work.
- Bringing out research and analysis aptitude of the students
- Project work was introduced as a part of the syllabus.

4. The Practise

As a part of curriculum project works are done by the students. Student study project works done by the students as a part of curriculum are evaluated by the faculty of each subject. All the students are motivated to do project works. Faculty of respective subject identifies the students with good research aptitude and are motivated to undertake student study project supervised and guided by the faculty of respective subject.

5. Evidence of success

Student study projects done by the students in various subjects are presented at District level. Seven (7) student study projects in different subjects are selected at district level and were presented at state level Best student study projects competitions held by the Commissioner of Collegiate Education, Government of Telangana state. Two student study projects were awarded as best student projects at the state level.

Research and analysis aptitude of students increased since the inception of this practise.

Few students based on the research and analysis done a short film on Swatch Bharat which was presented at all India competitions at New Delhi. The students received appreciation from the Hon'ble Vice President of India, Shri. M. Venkaiah Naiudu.

6. Problems encountered and resources required

Initially few faculty and students were reluctant to undertake the student study projects, but after few discussions they have shown their interest to undertake the student study projects.

Best Practise- 2

1. Title of the Practise

Staff Mutual Benefit Fund (SMBF)

2. Objective

- Financial benefits for Teaching and Non teaching staff of the college who are in financial need, on loan basis with less interest.

3. The Context

Teaching and nonteaching staff of the college get the source of funds during urgency when need financial support. Rate of Interest on credit taken from non banking sources is high. Approval and sanctioning of money through personal loan from banks take time. Lending the money/credit with less rate of interest is of much help for the staff who are in need.

4. The Practise

Teaching and Nonteaching staff join and become the members of the SMBF. Every member contribute/deposits an amount of Rs 500/-every month (Rupees Five hundred only). Separate account will be maintained for the SMBF in the bank. Teaching and Non teaching staff who are in need of money is given with less rate of interest. For every 6 months budget report is prepared and kept in the meeting. Interest is paid on the amount deposited by each member during this meeting that will be held for every six months. Rate of interest on deposit is Rs 1.25/- (one rupee twenty five paisa). Rate of interest on loan is Rs 1.50/- (one rupee fifty paisa). The difference amount is accumulated and is given as honarorium for the Coordinator and a clerk who looks after the SMBF.

This SMBF practise was in continuation since 20 years.

5. Evidence of success

- The annual turnover of the SMBF is in Lakhs of rupees.
- All the teaching and Nonteaching staff got benefited by SMBF. Many are benefited during their hardships.
- NAAC peer team commended this practise and appreciated the system.

6. Problems encountered and resources required
