

## **INSTITUTIONAL PROFILE**

At Government Degree College for Women our commitment to Quality Education and training has seen the growth of our students.

We prepare young students to be leaders for life with talents, responsibility and above all to be nation builders who cherish humane values. In our efforts towards the above mentioned goal, we have introduced different courses through which we assessed the students by evaluating the nature ability and quality of their education and physical development by introducing sports outdoor and indoor as well as literary activities and strengthen their weaknesses in academics and aptitude and address their needs through various personality development courses, Remedial and Tutorial classes, Project works and continuous internal assessments seminars, guest lectures, workshops, preparation and various activities were also organized. As it was the mission of the college to provide quality education, the environment for all round development of the students was created in the institution which helped the students to remain inquisitive and enhance their skills.

### **Financial Assistance:**

The college provided financial assistance to students through scholarship and other schemes. These scholarships were post metric scholarship for SC ,ST & OBC students at UG level.

### **Institutional Development Plan:**

The college regularly arranges meetings to improve the academic atmosphere; also we collect the feedback from students and different stakeholders of the college. It also collects self assessment from the lecturers. We work for the empowerment of women education of work t create safe and secure environment in the college for girl students.
