

**SR&BGNRGOVERNMENTARTS&SCIENCECOLLEGE(A), KHAMMAM
2017-2018**

BEST PRACTICE-I

CHARITABLE CONTRIBUTION:

Goal: To make students feel they are part of society and understand life in its fullest sense.

To improve students' life skills.

The Context: Introducing new experiences.
 Inculcating interest in social work.
 Inculcating habit of helping others.

The practice:

We try our level best for our student transformations by arranging direct meeting and lunch program with old aged people of old age homes and with orphans also. Our students spend total day at our college with the old age and orphans and are influenced by listening their life histories by their own narration. They serve the delicious and healthy food with their own hands and share their affection also with them. Our students bring the donations box from the orphanage/ old age home and collect money for a period. They arrange a face to face program by bringing them to our institutions in autos safely. They will recreate them not only with food but also with their entertainment programs. They listen to their challenging lively histories.

Evidence of Success:

Life skills helped students do better in future.

Students' sensitivity improved.

Active participation of students in co curricular activities.

Problems Encountered and Resources Required:

- Monetary resources have to be personally met.
- Time is allotted is only one day.

BEST PRACTICE-II

SOCIAL RESPONSIBILITIES

Goal: To make students feel they are part of society and understand life in its fullest sense.

To improve students' life skills.

The Context: Introducing new experiences.
 Inculcating interest in social work.
 Inculcating habit of helping others.

The practice:

Our students work with traffic officials at various public places to help them and to get self trained also. They worked at "Godavari puskara ghats" along swimmers and police to help in their rescue and to protect their children and things. They are awarded by the police and officials with certificate and medals. They worked in river puskara ghats at Bhadrachalam. Our students offered their services at melas, jataras like They also attended and participated in national integration camps held at local, district, state and national level and bagged prizes, medals, certificate along with transformational values.

Evidence of Success:

Life skills helped students do better in future.

Students' sensitivity improved.

Active participation of students in co curricular activities.

Problems Encountered and Resources Required:

- Monetary resources have to be personally met.
- Time is allotted is only one day.
