I am glad to know that Government Degree Colleges are getting certified by ISO 9001:2015-Quality Management System Certification. The Institutions are performing well with Good Admissions, Innovative Teaching Methods, Skill Training Initiatives and Administration through e-Office. This certification will definitely improve the processes and enhance the credibility of the institution. This is the recognition to the hard work of all the stake holders of the institution.

I appreciate the Principal and his team for achieving this certification and wish they continue the same hard work for strengthening the institution further. My hearty congratulations to all who worked hard and all the very best in their future endeavors.
