2018-19

Students of B.A. B.Com. (Hons) 40 members belonging to Dept. of Urdu Govt. Degree College Badliyan along with the faculty members have visited the district library.

Our visit to the district library is very pleasant. We have gone there 2 or 3 times previously. We don't know the correct way of getting a book. We don't know registration process and we don't know to get the information when we want there. The staff is peaceful. We are all got motivated. We have decided to go to the library whenever we are lucky. Our college is very near to the library.
