

Procedures and policies for college maintenance

The college is located at the entrance of the town and has access to bus station . It has well furnished laboratories, library, playground, and gym facility. Classrooms are well ventilated for reading. The library consists of two rooms for reading and reference. About thirty students can be accommodated at a stretch for reading either books or dailies. Every laboratory has a lab assistant to extend assistance to the faculty and the students for conducting practicals. The students are guided during every meeting and classes regarding the facilities and their importance. Timely interaction with the students, monitoring at the required places, and frequent counselling regarding the maintenance of the campus are followed in the college. The importance of laboratories, library, and sports and games in one's life are brought to their notice by all the stakeholders of the college. Orientation programmes are frequently organized to develop awareness among the students in academic and professional aspects. The infrastructure facilities meet the requirements of students . Preferential service is provided to physically disabled students Computer facility including access to internet in hostel. Computer facility is provided with internet facility hostel is within campus hence they are access internet in the college main building. Computer and internet facility is available in the campus for both students and faculty for the usage of labs, digital library and internet centre. Internet and WiFi facility. College library facility is kept open during working hours. Regular maintenance of campus Facilities The yearly budget is allocated according to the needs requirements of the departments taking into consideration of annual intake of students, laboratory infrastructure developments. Formal budget estimates will be prepared by each department and will be reviewed in HODs meeting with the Principal.
