About SUN Skills

SUN Skills is a social enterprise committed to transform India's GenNext into skilled and competent individuals, with a strong character; thereby generating a real wealth to the nation.

With single platform for research & product development, SUN Skills has strategically evolved, 5 product lines across 3 business verticals offering diverse service models.

SUN Skills actively collaborate with institutions, individuals & Government who share the same vision of Skill development for students and Job seekers.

SUN Skills tries to be the game changer of the Indian Skill and Education industry by providing best possible solutions to tackle deep rooted problem of high unemployability prevailing in educated Indian youth.

SUN Skills

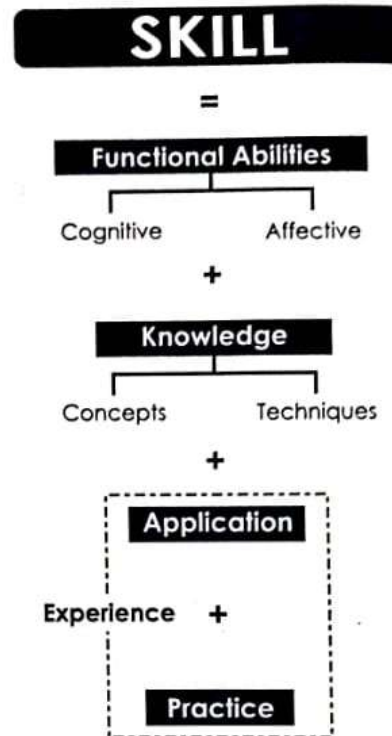

mantra for life long **SUCCESS**

Don't be idle, **do**

Don't just do, **learn**

Don't just learn, **practice**

Don't just practice, **work towards perfection**

SUN - Skill Formula
