<https://sites.google.com/view/lisavcontent>

This site collates textual and audio-visual (AV) content in Library & Information Science (LIS) discipline to support e-Learning. These are taken from various MHRD portals such as Channel (Ch) no. 05, 23, 26, 28 in Swayam Prapha (SP), e-PG Pathshala (ePGP). Effort has been made for the learners to easily get the list of LIS content on one platform. Content has been categorized according to CUG LIS course code and UGC-LIS NET syllabus. Webpage [List of LIS e-content](#) help learners to find the e-content mapped with UGC-NET LIS syllabus and webpage [LIS MOOCs Courses](#) help learners to select a MOOC course for them by providing a list of MOOC courses available on Swayam portal.
