

The primary vision of the college is to provide the educational needs for the poor and rural background girl students. The main goal of the college is to perform all the students in to confident, courage to face life challenges to give awareness on child marriages, importance of women education and social awareness programme. The institution makes good efforts to encourage the students and identifying the skills and interests of the students in promoting them a quality education. The distinctiveness of this institution is study, Obedience and Intelligence.

The Government Degree College for Women, Siddipet Dist, (erstwhile Medak Dist) was established in 2008 with efforts and blessings of the local MLA Sri. T. Harish Rao Garu. Now it has become one of the most prestigious colleges for women in Siddipet District. This college is affiliated to Osmania University, Hyderabad, Telangana State. The prime intension in establishing this college for women in Siddipet town in 2008 to provide quality higher education to rural background and socially financially backward girl students.

The Report for the Indian Standards Organization for evaluation is prepared by IQAC with unequivocal support from the teaching faculty and non-teaching members of the institution. The team work that made our institution what it has been is reflected in the report. I congratulate the Co-ordinator, IQAC for completing the report and submit it to the NAAC for the first cycle of accreditation.
