The strength of our college NCC intake is 100. The enrollment of cadets is being done by conducting physical tests and as well as by their cultural activities. For the selected cadets the ground practice is held on every Saturday. The students attend various camps conducted by the battalion and they also attend RD parades. Weapon training is given to the cadets by PI staff from battalion. They have to attend practical and theory exams and qualify in the exams to get certificate. This certificate will be useful for them in their higher education as well as to join in army, navy, air force.
