

Institutional Perspective Plan for the next five years (2021 to 2025)

The institution has a long term strategic planning for the all-round development of the college which is reflected in its perspective plan. The Internal Quality Assurance Cell (IQAC) of the college prepares and puts forward the framework of perspective plan to the institutional head for the feedback and feasibility of its implementation. The institutional head plays a major role in the comprehensive operational planning. The objective of the plan is intended to the development of the college in order to impart quality education and overall development of its students. The five year plan envisages the strengthening of the seven criteria so as to acquire better grade in the next cycle of NAAC

Curriculum plan

- Strengthening the existing courses
- Setting up Integrated Degree cum B.Ed course
- Starting Post Graduate courses in subjects like Commerce, English, Botany, Physics, Chemistry

Infrastructure plan
