UNDP – DISHA – TSKC – COIGN

UNDP (United Nations Development Programme) came up with IKEA foundation, DISHA and COIGN to make an agreement with TSKC (Telangana Skills and Knowledge Centre) of CCE to conduct career awareness and guidance to GIRL students of Government Degree Colleges of the State of Telangana.

It is a best opportunity to the GIRL students of Government Degree Colleges of the State. They came to Government Degree College, Utnoor in March of 2017 to know about the college whereabouts

In July 2017, at KOTI women's college they conducted training to the Female faculty of the college, M.Vanitha, Lecturer in Botany and D.Chaitanya Krishna, TSKC mentor. They have conducted an awareness and orientation programme in August 2017.

The registration process started after the orientation programme and 108 GIRL students of our college got registered in this program. In September, 2017 a Resource person came to conduct career awareness and counselling session to the GIRL students of our college. In October, 2017 they conducted an assessment test in our college using ICT class room.

Two resource persons from IDF and IKEA Foundation came to our college in November 2017 to evaluate the programme. From this program the students got awareness about their career and they got good opportunities.
