FEEDBACK ANALYSIS REPORT

Feedback is an essential element of the Teaching -Learning process. The college has a mechanism of continuous evaluation of the teaching –learning process as a part and parcel of IQAC.The Committee prepares a Questionnaire on various aspects of syllabi and courses.These Questionnaires are distributed to the students randomly and the feedback is collected and analyzed. Besides students,the committee collects feedback on curricular aspects and courses from other stakeholdersas Parents,Faculty and Alumni. The feedback collected from the stakeholders isanalyzed to identify the gaps, weaknesses and strengths of the curriculum offered, with a view to strengthen the teaching -learning process and environment.The analysis report of the feedback collectedfor the academic years starting from 2015-2016 to 2019-20 has been summarized based on the data enumerated through distribution of response sheets (with six parameters),The questionnaire is framed on the aspects as syllabus,, content of the syllabus;its applicability and relevance to the societal needs; its usefulness in pursuing higher studies and so on. On the whole,almost all stakeholders arecontent with the curriculum and the structure of the course.
