

7.3 INSTITUTIONAL DISTINCTIVENESS

Response:

In our institution we have established a NCC wing to train the students in different aspects.

The NCC is one of the premier youth organizations in our country, contributing in propagating national unity and integrity amongst youth. Its role in instilling in them the values of character, discipline and hard work and in shaping them into dynamic and responsible citizens of the country had been well recognized. It is one of the foremost organizations which grooms the youth, the students to be worthy citizens and future leaders of our nations and further it instils in students discipline, courage, and patriotism.

NCC is an organization that trains lakhs of students under its fold. Students who have undergone NCC training have self-discipline, leadership qualities and good value systems. It has played an important role in the all-round development of the youth of our country and in grooming future leaders in all fields. The contribution of the National Cadet Corps in the process of nation building and national integration has been commendable and worthy of the nation's full support and encouragement.

The National Cadet Corps is a vibrant organization with a pool of well-motivated and distinguished boys and girls. It plays a dominant role in nation building and imbibing selfless services, discipline and leadership among youth. NCC Cadets can join Defence services. It instils in the cadets a sense of commitment to the values of National Integration, Nationalism and secularism. These qualities would not only make the youth as responsible citizens, but also help in achieving the vision of developed India. It plays a commendable role in grooming the cadets both physically and mentally. The well-designed curriculum of National Cadet Corps, consisting of myriad training, adventure, cultural and social activities is of immense value to the young generation, enabling them to take on the challenges of the modern world.
