Respected Madam

Sub: Visit of Faculty members of Chemistry Department to our school- regd.

We are glad to inform you that a the faculty members of chemistry department along with some of the students of M.Sc (Organic Chemistry) have visited our school and interacted with the students of class IX and X. They talked with the children about the facts of chemistry. They have demonstrated some chemical experiments to show the facts behind prevailing superstitions. The students have also presented basic chemistry through power point presentation.

The visit motivated our students a lot and initiated in them a sense of curiosity. We look forward for more visits to facilitate knowledge transfer and help,our students get a practical approach towards science.
