

GOVERNMENT DEGREE COLLEGE FOR WOMEN (AUTONOMOUS), BEGUMPET, HYDERABAD

Institutional Distinctiveness

The Performance of the institution prioritising the aspect of “Empowering Women through Education.”

The Government Degree College for Women (Autonomous), Begumpet, Hyderabad is one of the oldest institutions in Hyderabad, established with a purpose to impart quality education and empower women students to be independent and successful in their lives. The institution is centrally located and caters to the needs of students hailing from urban, semi-urban and rural areas. The experienced, highly qualified, tech- savvy teaching faculty, advanced infrastructure with 8 smart boards, well-equipped laboratories, spacious classrooms, full-fledged library, Skill enhancement programmes, virtual classroom, ICT enabled classrooms, computer labs are the strengths of the institution to name a few. The students are privileged to have an environment where human values, skill sets and a sense of responsibility towards the society are instilled in them. The institution for the past 5 decades has been relentlessly striving to enrich the students with in-depth knowledge of the subject and also imbibe in them an attitude of scientific temper. It tries to ingrain in them the importance of pursuing higher education and also motivates them to have keen interest on research and innovation. The institution on the whole works hard to mould and bring out students who can have a fulfilling and rewarding careers. Some of the initiatives of the college are as follows:

- * Teach through the use of technology like LMS and a video centre.
- * Equip the faculty with a G-Suite account which enables them to transact teaching and learning in remote or blended mode.
- * Conduct induction programmes to orient students and broaden their perspectives.
- * Organise State and National level Curricular and Co-curricular activities for wide exposure and to create new doors of utilizing ample opportunities.
- * Provide instruction on significant domains beyond the curriculum.
- * Practice the mentor-mentee system which is a strategic method of counselling/guiding students.
- * Provide multidimensional Sports and Games facilities.

- Enlighten the students with series of training and programmes on Gender Sensitisation and the need of Empowering Women to make them strong and determined.
- Provide training and practice in self-defence techniques.
- Encourage participation in Workshops and Conferences and also partner with them for paper/poster presentations.
- Involve them as teams in Jignasa- Student Study Projects to create in them original research ideas.
- Orient them to be a part of NSS and NCC to serve people and the nation.
- Organize field trips and educational tours to make acquaint them with new places, industries and latest technology.

With all these, the college is progressing into the 21st century firmly believing in the truth of EMPOWER WOMEN, EMPOWER GENERATIONS.
