Key findings from the survey:

1. More than 50% of students have expressed complete satisfaction over the quality of Teaching Learning in our college.
2. More than 65% of students have expressed that the teachers were able to communicate properly.
3. Students have appreciated the teachers' attitude towards teaching and fairness in evaluation. However, they have requested for more student exchange programmes.
4. Teacher's preparation, communication, use of appropriate teaching pedagogy and fairness of internal evaluation has been rated high in the survey.
5. The college provides ample opportunities for cultural activities, sports activities and extra-curricular activities.
6. Students appreciated teaching and implementation of learning outcome-based curriculum which includes continuous evaluation and assessment of students throughout the semester.
7. Students have also acknowledged that organisation of National seminars, workshops, Hands-on Sessions and interdisciplinary learning programmes, NCC Camps, NSS Camps, helped students in learning other subjects/aspects which were beyond their prescribed curriculum.

The SSS has also pointed out few grey areas where the college/ teachers/ departments do have scope for enhancement in quality of education. They are as follows:

1. Institute needs to promote internship and field visit opportunities more .
2. Formulate mechanism which will identify strength and weakness of students and provide them right level of challenges and help them to overcome their weakness.
3. Enhance use of ICT in teaching and equip laboratories with more resources.
4. Teachers should encourage research culture amongst students.
5. More emphasis on skill development and hands on assignments, inclusion of seminars, workshops and field visits for typically one subject.
6. Active mentorship especially for career guidance.
7. Design interdisciplinary courses.
