An Example

The faculty had encouraged the students to take part in ‘Jignasa’ Student Study Project. The students got excited and took great interest in the program. They first chose a topic, got elementary knowledge on it. Then under the able guidance of their lecturers, the students finalized their study project. They gathered background information on the problem, formulated a research strategy and hypotheses to be tested. Then they collected data on the given problem and analyzed the same. They came to a certain conclusion and drew solution to the given problem. Our students were participated for study projects at state level in various subjects in the year 2016-17 and 2017-18.
