**PROFILE OF**

**TELANGANA SKILLS AND KNOWLEDGE CENTRE(TSKC)**

Telangana skills and knowledge centre (TSKC) was introduced as Jawahar knowledge centre(JKC) in the year 2007 and later transformed as TSKC in 2016. It's a platform, where the students from different cultural, social, religious and economic backgrounds meet and they share ideas, exchange views, seek knowledge and become competent.

The main aim of TSKC is to provide employability skills by facilitating the students to acquire analytical, logical reasoning and basic computer skills. It helps them to improve interpersonal skills, builds confidence and turns them to be dependable.

**VISION:**

- 1.To turn every student into a skilled individual.
2. To make every student a competent person.
3. To transform them to be self – disciplined and self-esteemed individuals.
- 4.To enrich every student with employability skills.

**MISSION:**

- Build confidence among the students.
- Improve communication skills.
- Enhance competitive spirit.
- Inculcate values.
- Turn them to be compassionate and empathetic.
- Equip with them with practicable and useful skills.
