Career Guidance and Competitive Cell
Free Coaching for Competitive Examinations

The Career Guidance and Competitive Cell of our institution has taken up free coaching for competitive examination during the academic year 2017 – 18 to 20 students who were intern selected on the basis of an entrance exam. This coaching was scheduled and the syllabus is planned for 2 classes per day for 50 days that amounts to 100 teaching hours. These classes were conducted before the college hours and nearly 9 lecturers came forward to render their service to the students by taking the classes. During the scheduled period coaching was given to the students on all the subjects relevant to competitive exams.
