

About Zoology Dept

History:

The Department of Zoology was established in 1976 one of the first established departments at the college. Several eminent faculties worked at the department established Vision and Mission of the department and shaped the interests and careers of Zoology students of rural background. With two well equipped Laboratories, ICT Integration, bio-visual charts in Teaching and Learning process students are taught theory and on hand experience at practical's. Students are encouraged to take students to study projects in, sericulture, poultry , dairy units, honeybee centre, fisheries, several health issues in sathupally city and near villages etc., The Department conducts Field trips/Study trips so that students get real time learning experience. Every year a good number of students are selected in M.Sc Zoology entrance and pursue Post-Graduation in Zoology at various state reputed universities and B.ed courses. In 2016 Choice Based Credit System (CBCS) was introduced and Applied zoology, marine biology were opted as Electives in Vth and VIth Semesters. In the year 2020 onwards college offered Dairy science as new courses.

Programmers/Courses offered:
