Vision

- ❖ The vision of the department is to raise its teaching and research programmes to the highest standard thereby enhancing the reputation of the College.
- ❖ The vision envisages developing uniqueness for its course through unbiased approach to ideologies and realms of knowledge.
- ❖ The vision of the department is to attain versatility in application of skills and tools to issues and problems in economics recognizing the contribution of other disciplines.

Mission

- The mission of the department of economics to achieve excellence in economics through teaching, research and service.
- To enable them to prepare for lifelong learning by nurturing independent thinking.
- The mission of ensuring excellence in teaching economics is by integrating the most relevant areas and developments in the field of economics together with state of the art technical skills, still maintaining a holistic approach to the course.
 - The Department of Economics strives hard for the all round development of the students. To achieve this objective, it involves the students in academic activities as well as in social awareness programs. The department firmly believes that students require curriculum knowledge along with knowledge of the society.
