## Online Certificate Course in Rural Development (CRD)

**Batch one starts from 10th April, 2021**

### **Online Certificate Course in Rural Development (CRD)**

**Certificate in Rural Development (CRD)** is Diploma level Management course. Rural development is the process of improving the quality of life and economic wellbeing of people living in relatively isolated and sparsely populated areas. Course integrates the disciplines of geography, sociology, political science, economics, business administration, and psychology. The discipline of Rural Development is of vital significance for understanding the development issues related to rural society.

Duration: 30 hours

Course Coordinator: Dr Harjoth Kaur

Course Chairman: Sri M Srinivas Reddy

Eligibility: Interested students of Government Degree College for Women, Jagtial who are undergoing graduation studies.

Maximum Number of students: 30

First come first serve through Google form registration

Teaching: Through Online Platform – Zoom at 5pm

Examination: Online through google form. From each module six questions of multiple choice is given valued as 90 marks and 10 marks for assignment.

### Certificate in Rural Development (CRD) Course Suitability

- Interested students of Government Degree College for Women , Jagtial who are undergoing graduation studies.
- Course is suitable to personnel working in various Government or non-Govt. Departments/agencies, NGO's and transformation.
- One should possess a willingness to work in rural areas, good communication skills, and knowledge of local languages, ability to handle masses, analytical reasoning, and leadership skills.
- Candidates willing to for further research work also are suitable for the course. It is also suitable for fresh graduates who are interested in pursuing career in the discipline of rural development.

### How is Certificate in Rural Development (CRD) Course Beneficial?

- The course helps students for further higher studies in the field of rural studies such as M.Phil., Ph.D. The successful completion of the course makes them eligible for the post of a lecturer in any university/college.
- They can work in rural enterprises in form of policymakers, managers, analysts and consultants advising on operational efficiency and improvements.
- Other career opportunities in the rural areas are in co-operative sector, in development organizations, agri-business enterprises, areas related to micro-finance, food and agricultural marketing and management of agro products.
