Meeting on Gender Sensitisation (2019-20)

01/02/2020

"Gender Sensitization: Time to Change the Mindset"

A meeting is organized on Gender Sensitisation in seminar hall on under chairmanship of the Principal, GDC, Manthani with the cooperation of Women Empowerment Cell. The following issues have been discussed elaborately.

The GDC, Manthani is well prepared to handle & respond to gender sensitive issues and provide an environment where men & women can work together with a sense of personal security and dignity through WEC Sensitization is the process of making something sensitive or modification of behaviour by raising awareness of gender equality concern. Gender Sensitization promotes equality for men & women. Our constitution rightly discussed in Article 14, 15, 19 and 21 about the equal treatment, freedoms, opportunities in all-political, social & economical & cultural spheres.

Every year, at the commencement of academic year the WEC will make a draft action plan on Gender Sensitization to conduct different activities/programmes in that year through which inculcate awareness, sensitise the girls & boys students about gender issues like gender discrimination and its causes, child marriages, female infanticide, Sathi, violence discrimination in employment, non-recognition of the domestic work, unequal powers, kidnap, Rape, prostitution, trafficking of girls/women, acid attacks, eve-teasing and so on.

We also emphasize the significance of Gender Sensitisation on the occasions of

different Days like Womens Day, Literacy Day etc by sensitizing the girl and boy students of the College.

The Gender Sensitisation Action Plan enunciate the main objective of gender sensitization — is to make the young boys and girls gender sensitive & create positive values that supports the girls & their rights & to generate the awareness regarding equality & equity, socialization through family, education institutions, peer groups and mass media.

According to the calls given by the Government (Centre & State) & UGC, we also organize the rallys and participate in rallys & others related to the gender issues.

We also bring awareness among the students regarding the Actions/Initiatives/Acts taken by the Goverment at appropriate time like Prenatal Diagnostic Techniques) Act & Rules of 1994, Beti Bachao and Beti Padao (to promote gender equality & significance of edee-cating girls, to enhance Child Sex Ratio, "Save Girl Child & to Educate Girl Child", Role of National Commission for Women, Prevention of Sexual harassment of women at work place through (Prevention, Prohibition & Redressal) Act, 2013, Nirbhaya Act, 2013, Protection of Women from Domestic Violence Act, 2005 etc. She Teams, Women Helpline Centres, etc.
