

**GOVERNMENT DEGREE COLLEGE BICHKUNDA,  
DIST. KAMAREDDY – TELANGANA**  
**Physical, Academic and Support Facilities available in the Institution**

The policy of the Institution is to provide adequate infrastructure that facilitate teaching and learning. Accordingly, the institution tries its best to provide necessary infrastructure for the smooth run of academic activities. For this the institution has a committee to review the physical infrastructure which meets periodically. The committee suggests policies and initiatives to be taken by the institution.

The college has adequate number of computers with internet connections and these are distributed in different locals like office, labs, library departments, staff rooms etc. All the stake holders have equal opportunity to use those facilities. The ICT smart class rooms and related systems are maintained regularly.

To provide safe and best quality water to students we installed two R.O. Plants in our college building. All the students and staff has access to safe water. The R.O system electrical and plumbing related maintenance is done with the help local skilled persons and the expenditure is done from Govt. quarter budget

**Civil works of construction of Library hall, Seminar hall, two class rooms and 360 m compound wall work is going on. These works are funded by RUSA.**

For the optimum utilization of the resources in the institution, various committees have been constituted comprising the Principal as the Chairman, senior members of the faculty as Conveners and other teachers as members. These committees meet on regular basis to discuss issues related to their respective committees so as to ensure the optimum utilization of the facilities on campus. The in-charge of each facility (In-charges of the Departments, Librarian, Physical Director etc.) maintains stock and accession registers. These registers are verified annually by the Annual Departmental Verification Committees. These Committees are constituted by members of faculty related to other departments.

sports are great for developing a pupil's character and moral principles through fair play. The importance of teamwork and working together with peers and teammates is a life skill that will stay with them for all their future endeavors, and their involvement teaches vital lessons about team spirit. Games and sports are also very useful for good health. The outdoor games are more useful, where the students share the company of nature and breathe fresh air. they get lot of physical exercises while playing games outside in the play ground. It keeps them physically and mentally fit. The games and sports make the students active which is very important in that age. Our college is established on 9 acres of land. We divide this ground for various outdoor games like Kabaddi,Kho-Kho,Cricket,Volleyball etc. We also provide indoor games like Carroms,Chess etc.

The Commissioner of Collegiate Education is providing an opportunity to the students to show their talents by participating enthusiastically in curricular, co-curricular and extracurricular activities. In this direction, the Department of Collegiate is conducted Yuvatharangam programme for every academic year. Number of our college students are participated various Sports, Cultural & Literary events at College Level, Cluster Level and State level competitions.
